The scheme comprises provision of quarters for Head Mistress or Superintendent and for four teachers at a cost of Rs. 5,810 and Rs16,180 respectively. ~~The above (illegible)~~ As there is no information in the file as to the pay of these officers, it is not possible to examine the cost with reference to the admissible outlay on the 10 % basis. The case may therefore be returned to Home (Edn.) who may be requested to examine the above point.

For the Govt Training School for Mistresses, Mangalore, the Govt have sanctioned one Supdt on Rs 125 p.m, 2 assistants on Rs 100 p.m. each, two on Rs 75-5-100 p.m, one on 60-2-70, one on 50-2-60, 1 (75), 1(60), 1(50), 1(40), 1 (30), 4(25), & 2 (15) & 1(30), 1(25) & 1(20)- Vide p.10

of G.O. 471 dy 20.4.20.

2. It is proposed to construct quarters for the Supdt. at a cost of Rs 5,810. The pay of the Supdt. being Rs 125 + Rs 25 (temporary additional pay) the permissible limit works out to Rs 3,272 In view of the High ~~Cost~~ cost of building materials and labour it is for consideration whether the proposed quarters at a cost of Rs 5,810 may be accepted.

3. In regard to the quarters for teachers, assuming that the four Seniormost teachers are provided with quarters the permissible limit for ~~four quarters~~ quarters for four teachers comes to Rs 11,338 The proposal to construct quarters at Rs 16,180 may also be accepted for the ~~same~~ reason mentioned in para 2 above.

With the above remarks the file may be returned to Financial w.o.

Finance Dept.

Please see this Dept. note on page 2 ante. Information was called for as regards the pay of the Supdt. and the four ~~quarters~~ teachers for whom quarters are proposed to be

built. The Law dept^t have furnis definite information only in respect o the Supdt. It will be seen from para. 2 of their note that the differen between the permissible outlay and the cost is very large and the incr over the limit is nearly 78 %. Evide therefore the present increase in the prices of labour and materials cannot wholly account for the increased cost. It is for orders whether the Law dept^t may be requested to consider whether the quarters may not be construct according to design C.A. 360/20. The cost will then be only Rs. 4,045 i Rs. 772 in excess of the permissib limit.

2. As regards the four teachers the Law dept^t may be asked to obtain detailed particulars about their pay and also as to the necessity for the construction of quarters for them. Information may also be obtained as to whether full normal rent will be recovered from all the five officers.

3. The plans and estimates relating to the other portions of the scheme may be accepted. With a view to avoid delay in the issue of orders in this case, Finance need not, perhaps, object to an order issuing in the P. W. Dept. in regard to A above, pending consideration of the proposals for the construction of quarters for the Supdt. and the four teachers.
